

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

January 11, 2005

The Del Rey Yacht Club will be hosting the 18th Biennial Marina del Rey to Puerto Vallarta, Mexico, International Yacht Race from February 9 -18, 2005. This well known and prestigious race originated in 1971 and is the longest continuously and regularly scheduled international yacht race to originate within the continental United States.

In past years, the Los Angeles County Department of Beaches and Harbors has, at our Board's direction, waived dock fees for participants in the race that could not dock at Del Rey Yacht Club due to space constraints. This year, approximately 40 to 45 boats will participate in the race and the Yacht Club has requested that dock fees be waived for up to 15 dock slips at Burton Chace Park, which would be used, on an as-needed basis, both prior to and during the race. An estimated amount of up to \$8,100 in fees would be waived if all 15 dock slips were used for visiting yachts.
